

Miss Mary Henby,
20, North Parade,
Bootham,
York.

Elmer's Green,

Dalton,

Mr. Wigan.

Tuesday 18th.

Dear Mary,

Thank you for your kind letter, it is nice to think that I shall have someone to tell me the ins & outs of college life when I get to Leeds.

As to the extra things you mentioned most of them I had not thought of bringing, so I thank you for your forethought. When it gets to the last week there are so many things to get.

There are four of us travelling together on Monday, but we are all new this year & feel rather excited.

We leave Wigan station at 11.27 a.m. & reach Leeds at 1.50 p.m., if you are in the Hotel before perhaps you will look out for me.

I dont think there is anything very
urgent that I want to know now, but
I hope that you will not tire
of my questions when we meet.

Goodbye for the present,
Your future daughter,

Alice.
