

LEEDS POLY

Redruth pipped by one point

Redruth 13, Carnegie College 14

CONSIDERING the windy conditions, both sides gave a splendid display and Redruth, who were 14 points down at half time, made a splendid recovery and in an exciting finish lost by one point.

Carnegie took an early lead when Horton scored a try from a forward rush. Then, a brilliant passing move resulted in right wing Zeubeogs scoring in the corner following with another good try by Lathan which Page converted.

With the wind in their favour, Redruth greatly improved and Dennis Williams opened the scoring with a penalty goal. Then Ray George charged down a kick for Williams to score a try which he converted.

Redruth maintained the pressure and from a lineout close up John Treglown crashed over for a try.

The key players were scrum half Paul Sweeny, with his immaculate service, George back in the centre, and Ricky Kneebone in the pack. Williams produced a rare turn of speed on the wing.
