

CERTIFICATE EXAMINATION, 1909.

OBJECT DRAWING.

Monday, November 29th, 1.30—2.30.

Instructions to Candidates.

Before commencing your drawing read carefully the following instructions :—

1. Fill in the particulars asked for on the drawing paper.
 2. Make a drawing of the group of objects before you, including the drawing board on which they are placed, as they appear from the point of view at which you may be seated.
 3. The drawings must fairly fill the sheet of paper supplied to you. SMALL DRAWINGS WILL BE CANCELLED.
 4. Your paper should be placed with its short side or long side towards you, whichever may be suitable to the proportions of the group, and must not be turned about during the examination.
 5. Your drawing may be executed in pencil or any other medium, including water-colours.
 6. No ruling, measuring, or use of instruments is allowed.
