Dear Sir.

Thanks for your letter of yesterday. Stos was very busy last week and the light was often very bad. The photo. you returned to me arrived safely on Monday morning. I was not able to get the portrait of W. Carey photod until today - but it was done today and it is satisfactory I hope to let you have a print or two by the end of the week.

I think 3 pm. on 24<sup>th</sup> will be all right and do certainly bring Mr Woodhouse with you. If you can make it a little before 3 so much the better. This place is very near Gloucester Road "Underground" stations. Ring the bell at the side of the entrance and the porter will bring you up in the lift.

Yours Sincerely

Frank Sennell

M. I. Woodhouse Esq.
