Dear Mr. Woodhouse.

Please don't worry! I quite understand but these things are a bit awkward. Little photo of pictures are not satisfactory, usually very far from it, so it would not be fair either to W. Gray or myself not to protest - the photographer has got the negatives so any thing can be done at any time, ~~so~~ there is no need for either hurry or worry.

The amount of correspondence that one portrait can entail is entirely beyond belief!

Hope you has a good holiday. I need one greatly but don't see how I can get it before September! (Hlas!

Yours Sincerely  
Edward Jenner
