BECKETT PARK  
LEEDS 6

26th September, 1939.

Dear

It has been decided that the College shall resume work with both men and women students, and satisfactory progress has been made in negotiations to secure premises in a reception area. The original proposal that the women students should reassemble at Loughborough has been abandoned since the continuance of the training of men students has meant that there is little accommodation available there. As soon as the arrangements are completed I will communicate with you further.

Yours truly,

*R. W. Rich*
