

CARNEGIE PHYSICAL TRAINING COLLEGE.

SESSION 1936-37.

Voluntary Boxing and Fencing Classes.

As many Public and Secondary Schools require the gymnastic master to teach boxing and fencing, VOLUNTARY classes are held weekly from September to Easter for those students who desire instruction in these subjects. It is, however, necessary to charge the following additional fees for this instruction:-

Boxing. £1-10-0 for approximately 30 lessons.

Fencing. £1-10-0 " " " "

All the necessary equipment is provided by the College.

Students may enrol for either boxing or fencing only, or for both.

The fees for boxing and fencing must be forwarded together with the social subscription, and may be included on the same cheque. (Cheques to be made payable to the Warden)

Those who desire to join these classes should complete and return the following form as soon as possible.
