Dear Mr. Congdon,

Thank you very much for your letter of November 14th. I am very pleased to hear that you will be able to visit the College to show your films. Saturday morning, November 27th, would be a convenient time, otherwise it will have to be Saturday, December 11th, as these are the only two possible Saturdays between now and the end of term. I could arrange for you to stay in College on the Friday evening.

I should be glad if you would kindly let me know whether either of these dates is convenient.

With kind regards,

Yours sincerely,

E. Major

glad to hear that you will be able to visit the College to show your  
plans. I am sure that you will find the College to be a very  
interesting place. I am sure that you will find it very  
interesting. I will have to be away on Saturday, December 1st, as I have  
only two private engagements to see now and the end of term. I could  
not have done so much for you as I would like to have done.

Yours truly,  
E. Major
