Dear Ambrose,

Your films arrived in perfect order and already I have used them four times. Thanks for sending them, I need hardly say how valuable they have been. My last show is booked for Monday next, so I will return them on Tuesday unless you let me know anything else to the contrary.

You have not sent for the athletic one yet, I hope you don't, but I will return same to Ralph should I hear from you.

I shall definitely be able to send you ten shillings after all and will let you have it as soon as the Head master gives it to me.

Please don't laugh too much at my typing as this is the first time I have ever tried it. Of course I would make a silly mistake when I was explaining things. Have you ever had a shot at it. It's great fun.

Have you seen the new Syllabus that has just come out, I think it's fine, and what price the pictures of all the Carnegie lads.

Are you still interested in a progressive hurdling film? Can I help you to make one during the Xmas vac? Perhaps you might find time for a chat then.

Thanks once again for the films Ambrose.

Best wishes,

Tony.
